To the General Manager, Mr Michael Coulter,

I am writing to ask that you may consider waiving the cost of the application fee of \$145.00 for the road closure regarding the Macksville Rail Centenary on 30th June- 1st July 2019 as it would allow our committee to utilise the funds on other necessities for this event.

I appreciate your time to look at this request and look forward to your reply.

Yours Sincerely,

Leanne Welsh
