

MACKSVILLE CBD UPGRADE

The Nambucca Valley has secured funding from the State Government (\$577,500) under the "Fixing Local Roads Project" and together with Council's co-contribution (\$192,500) we plan to rehabilitate parts of the Macksville CBD.

This project is in line with Council's Revitalisation Concept Plan and will provide improvements to water services, roads, access and pavement to ensure future economic growth and tourism in the area, while supporting small businesses.

Estimated Construction Dates

- ✓ **May-June** Commence Water Services
- ✓ **June-July** Commence kerb and subsoil
- ✓ **August** Commence road reconstruction (night works)

Streets that will be affected include the following:

- Wallace
- Princess
- River
- McKay

Nambucca Valley Council Information Session

Wednesday 4 May 2022 at 5.00pm
Macksville Ex-Services Club

The Nambucca Valley Council (NVC) is inviting all local small and medium business owners, residents and members of the public to attend an information session to discuss the details of a significant construction project in the Macksville CBD.

Council's General Manager and Engineering team will be attending to provide details on the scope of works and answer any questions if applicable.

We look forward to seeing you there.

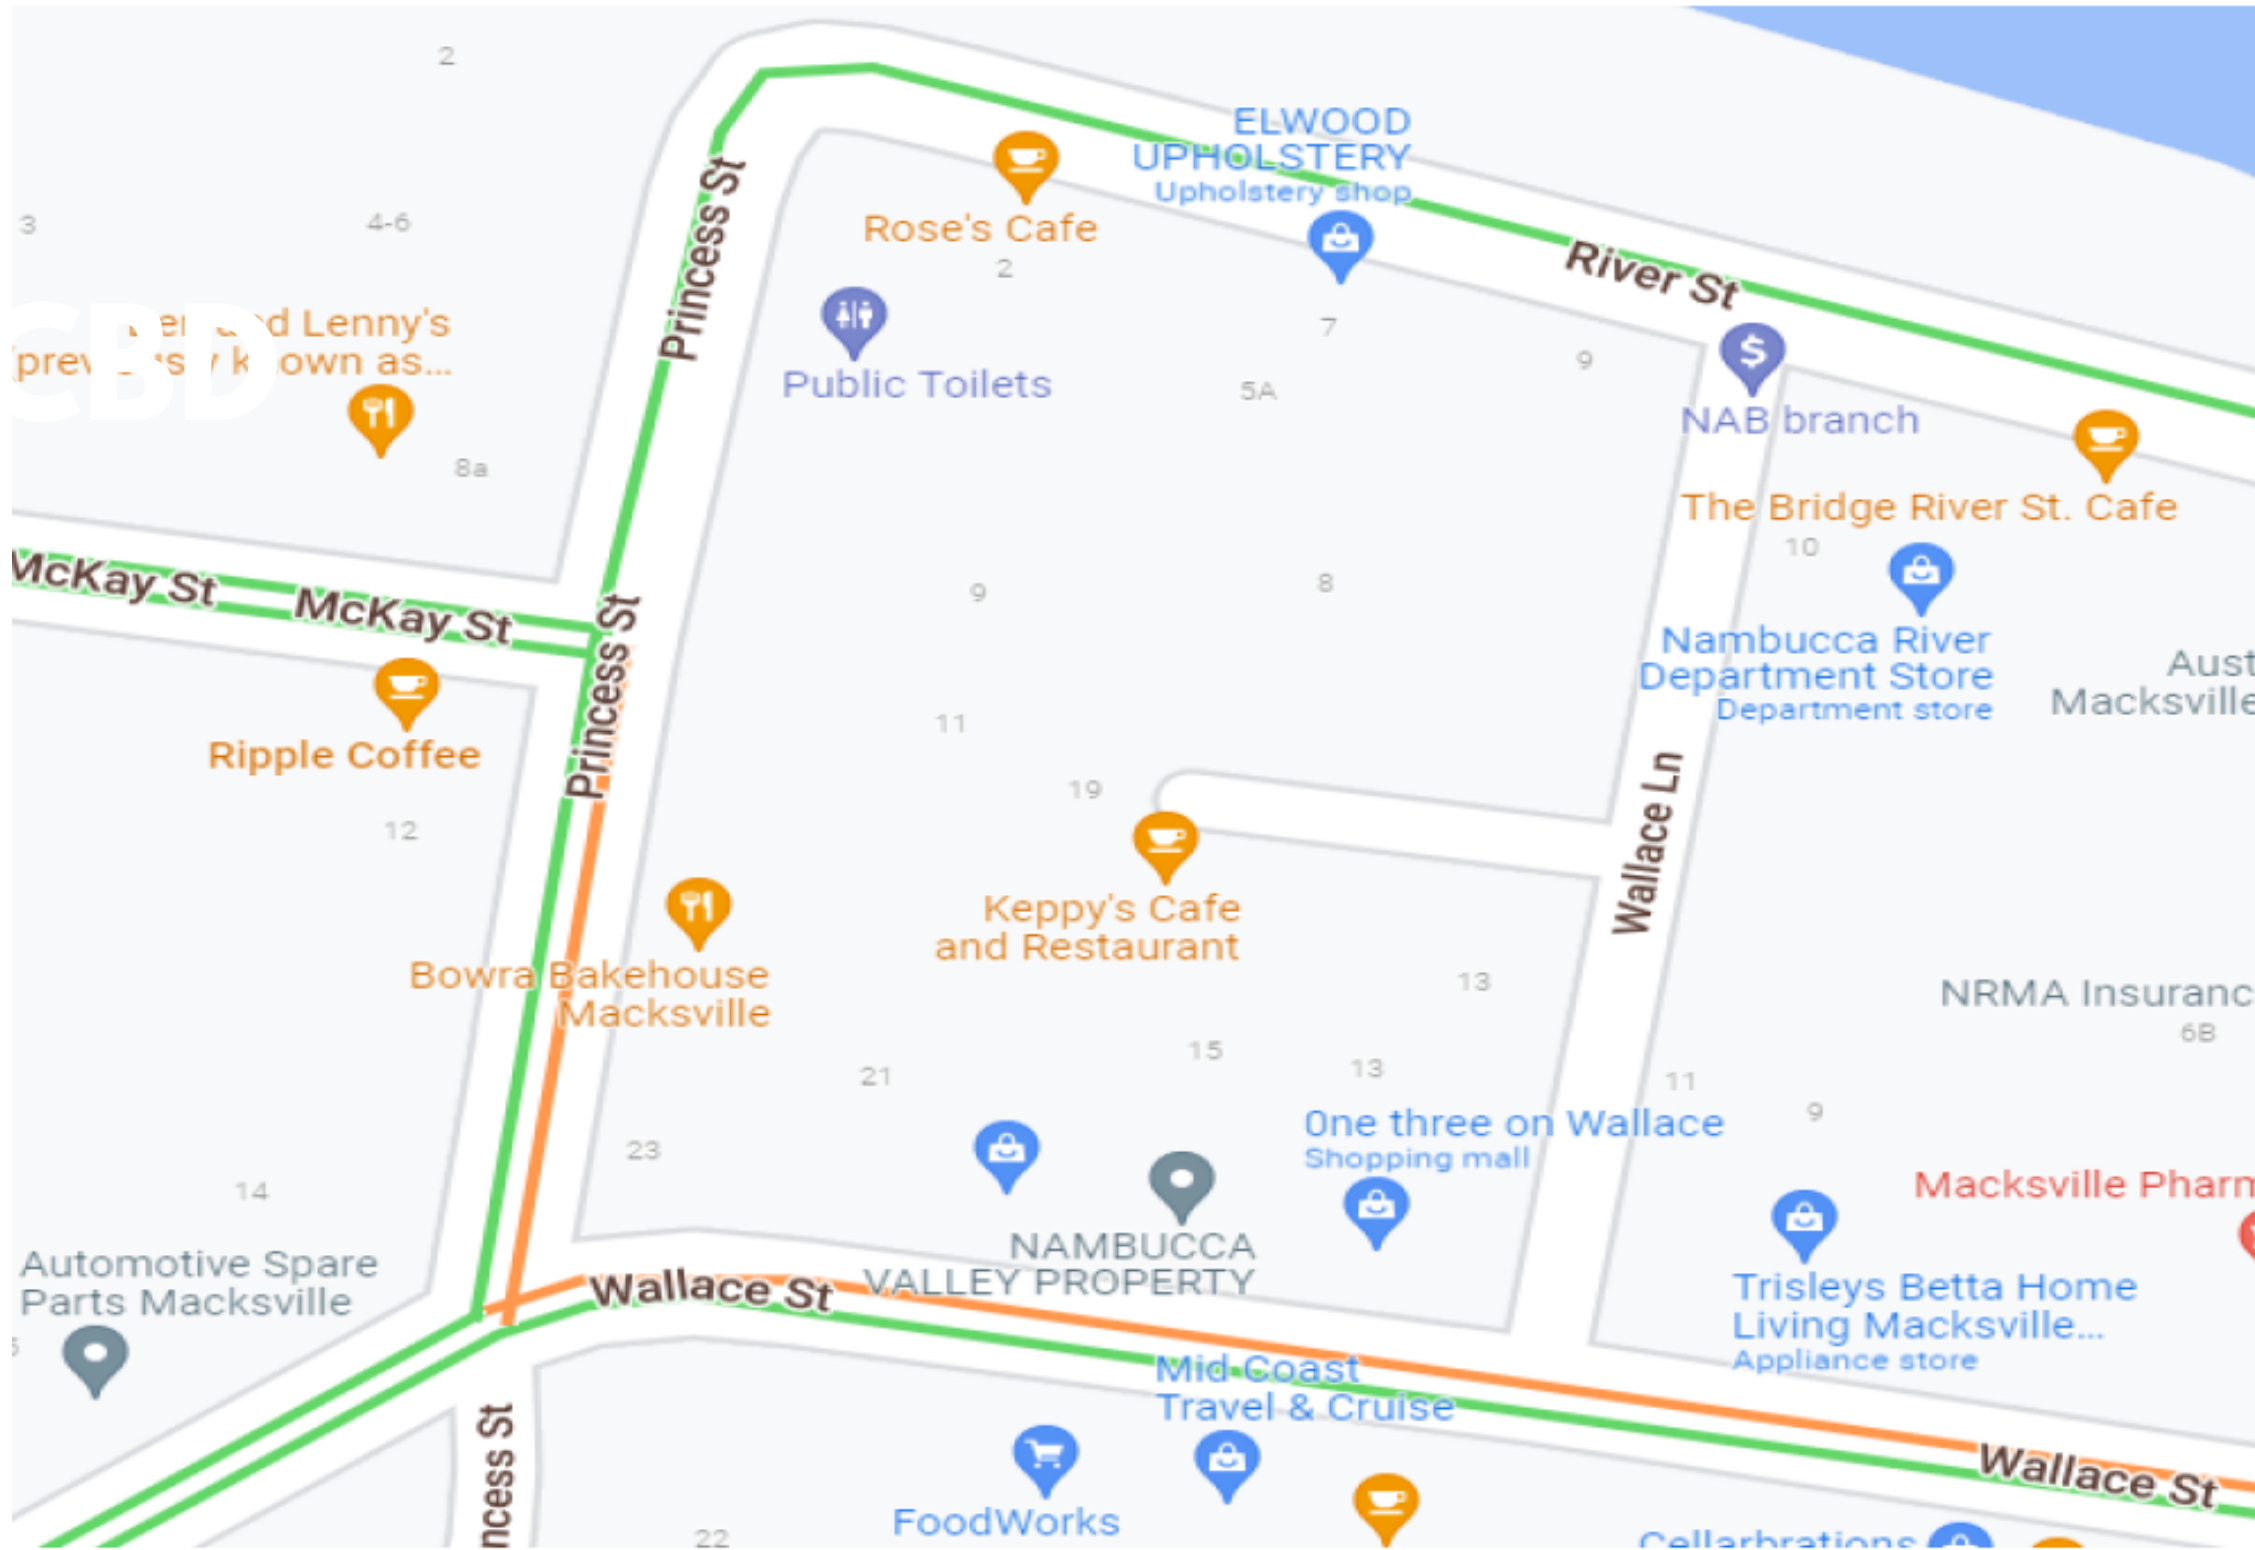

Join the mailing list:

If you are unable to attend and would like to join the project communication email distribution list, please email Council your contact details to receive updates.
